VIVA School of Architecture (VSoA) is an institution affiliated to University of Mumbai (UoM) conducting a professional degree course. Based on the course specialization (as conceptualized by Council of Architecture (CoA) and requirements of the syllabus considering education standards formulated by UoM); the school pursues research with study tools, and their references based on History, Planning and Settlement Studies, Local and Regional Context, Sociology, Structural Science, Environment, Heritage, Research, Analysis, and Investigation of any project as an inception to the Design understanding and learning.

VSoA - Entrepreneurship and Innovation (Alumni Association) supports students and alumni for startup projects through campus. The infrastructure of the campus is made available to the start-up seekers of the institute to promote Entrepreneurship skills. The availability of such resources without any need for external aid or financial burden helps formation of start-up culture in the institution. The eco-system not only encourages participation but also provides inspiration to other students on the campus.

Platforms provided through infrastructure at VSoA include: Permanent Exhibition and Material Library which is open to Students for reference and to share knowledge from past work, it is also open for students to keep on updating the Material Lab with new materials and innovative solutions in Architecture, Engineering and Construction (AEC) Industry. The school has made provisions for the students with infrastructure facilities such as Computer lab, Environmental Lab, Surveying & Leveling Lab, Library and e-library remote access, and Model making Room which gives students space to research, analyze, think, innovate and participate in competitions at national-international level.

Workshops at VSoA allow students to innovate Model Making, exploring joineries and techniques that can be replicated in wooden works. A decent and varied types, mediums and sizes of Plotting and Printing within the campus where students can innovate and experiment with their presentation. Dedicated Library with physical as well as digital facilities (E-resources & Scanning) and Archive room where all the data and knowledge from the students' work, Competition entries, Mapping of Urban neighborhoods etc. are archived after the creation.

Defined by CoA norms and UoM syllabus; Research, Innovation and Learning extensions are ingrained in the system of teaching learning pedagogy. Institution has adopted various initiatives under Indian Knowledge System (IKS) policy as aforementioned. Documentation of Local precincts and their study and analysis, Mapping of growth and development as per the development plan of VVCMC, Documentation of research conducted by students in the Design Dissertation for Semester IX, and Introduction of Electives courses / Workshops under College Projects are to name a few.

New Building, VIVA Campus, Shirgaon, Virar East, Dist. Palghar, Maharashtra – 401 305

Apart from the initiatives taken by the institute in various areas to encourage innovations, creation and transfer of knowledge amongst students; The institute also encourages participation in professional competitions individually or as a team for innovation and creation of knowledge. Initiatives devised for knowledge transfer through academic research and architectural paper writing culture at Institution. Participation in Teacher training programs, conducting teachers training programs in collaboration with the CoA-Training & Research Cell (TRC) help in promoting Research based design ideologies.

Thesis Research Orientation

Seminar series was conducted during 22-05-2018 to 25-05-2018, regarding the Thesis Research Orientation in the academic year 2018-19:

This series was conducted in campus addressing the 34 students from the Fifth Year Bachelor of Architecture appearing for Design Dissertation. The knowledge series was conducted, by core faculties of the institute selected on their specialization backgrounds. The intent of the orientation series was to create awareness of Research Methodology.

The lecture series was conducted so the students can explore research and analysis as a design development tool.

The lecture series helped the students in developing their research based design program and identify design solutions based on qualitative and quantitative research tools. This complete research was put through Plagiarism test and respective references, citation and bibliographies were developed for pre-existing research that was a part of individual study. The students followed the code of ethics while doing research and strictly adhered to plagiarism regulations.

The detail schedule of lecture series has been shared as annexure, along with the attendance and certification granted to the students for attending and participating in learning program.

Academic Year: 2018-19

Fifth Year B. Arch.

Sem - IX

Topic: Thesis Research Orientation

Faculties Names: Prof. Chakor A. Mehta
Prof. Ritesh Agarwal
Prof. Nayana Raut

Schedule for the Orientation

Day	Date	Topic	Time		
			9.00 am to 10.30 am	11.00 am to 1.00 pm	1.30 pm to 4.00 pm
Day 01	22-05-18	Topic Selection for Reseach	Lecture	Lecture	Research Report
Day 02	23-05-18	Synopsis Writing	Presentaion by the students	Lecture	Lecture
Day 03	24-05-18	Reseach methodology & Literature review	Lecture	Lecture	QnA Session
Day 04	25-05-18	How to conduct Case studies?	Lecture	Presentaion by the students	Presentaion by the students

Note:

10.30 am to 11.30 am - Break 01

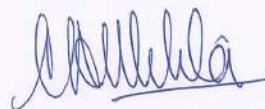

1.00 pm to 1.30 pm - Break 02

Bus facility will not be available from 22-05-2018 to 25-05-2018

Reporting time will be 8.45 am i.e. 15 min before as per regular college timing

Venue:

Auditorium, 4th floor, VIVA School of Architecture

Out of the Box

Workshop conducted on 27-08-2019 to 29-08-2018 in the academic year 2018-19:

A workshop specially curated to orient the first year students into the field of architecture. Out of the box envisions to transpire the young minds from textbook learning system to explorative world of architecture.

Late Shri. Vishnu Waman Thakur Charitable Trust's
VIVA SCHOOL OF ARCHITECTURE
ACADEMIC YEAR 2018-19 First Year B. Arch. : Semester – 1

**CONDUCTED BY :

Objectives of the Workshop: As defined below:

Late Shri. Vishnu Waman Thakur Charitable Trust's

VIVA SCHOOL OF ARCHITECTURE

ACADEMIC YEAR 2018-19 First Year B. Arch. : Semester - 1

THINK
OUT OF THE
BOX

- ☐ Learning the process of de-learning
- ☐ Learning to gate-away from the marks oriented education system.
- ☐ Creating the remarkable work in the world of creation.
- ☐ The poetry of living the out of the box thinking.

Schedule for Day 01:

Late Shri. Vishnu Waman Thakur Charitable Trust's

VIVA SCHOOL OF ARCHITECTURE

ACADEMIC YEAR 2018-19 First Year B. Arch. : Semester - 1

THINK
OUT OF THE
BOX

DAY - 01 : August 16, 2018.

9.00 a.m. to 10.30 a.m.	Principal's Address
10.30 a.m. to 10.45 a.m.	Short Break.
11.00 a.m. to 11.45 a.m.	Introduction with interactive Acitivity.
11.45 a.m. to 1:00 p.m.	Screening of motivational Short Film.
1:00 p.m. to 1:00 p.m.	Lunch Break.
1:45 p.m. to 3:45 p.m.	Interactive Group Assignment.
3:45 p.m. to 4:30 p.m.	Talent Search

Schedule for Day 02:

 <p>Late Shri. Vishnu Waman Thakur Charitable Trust's VIVA SCHOOL OF ARCHITECTURE ACADEMIC YEAR 2018-19 First Year B. Arch. : Semester - 1</p>	
DAY - 02 : August 17, 2018.	
9.00 a.m. to 10.30 a.m.	National Anthem. Visual Communication and Film appreciation.
10.30 a.m. to 10.45 a.m.	Short Break.
11.00 a.m. to 12:15 p.m.	Audio to visual to graphics compo.
12.15 p.m. to 1:00	PPT Presentation on Design Principals and Assignment
1:00 p.m. to 1:00 p.m.	Lunch Break.
01:45 p.m. to 3:30 p.m.	Contd. : Group assignment Presentations by students.
3.45 p. m. to 4:15 p. m.	GROUP PHOTO session.

Schedule for Day 03:

 <p>Late Shri. Vishnu Waman Thakur Charitable Trust's VIVA SCHOOL OF ARCHITECTURE ACADEMIC YEAR 2018-19 First Year B. Arch. : Semester - 1</p>	
DAY - 03 : August 18, 2018.	
9.00am to 10.30am.	National Anthem. Presentation on 1 min. Film M
10:30 a.m. to 10.45 a.m.	Short Break.
11.00am to 01.00 pm.	Interactive and Hands-on Activity
1:00 p.m. to 1:00 p.m.	Lunch Break.
01.45pm to 03.30pm	Contd : Interactive and handson Activity
03.30pm to 04.30pm.	Baloon Game and Concluding session.

ALLIED DESIGN

1) Workshop by Prof. Vivek Bapat on thinking 'OUT OF THE BOX' -

-To make them understand Principles of design through a lot of observations and its applications in design.

-Lot of fun learning activities to give them opportunities to meet with each other and to make them understand the importance of group work, coordination, fun while working in a group.

-Learning while movie appreciation (visual)

-Gaming session/quizz.

2) Lecture by Prof. Vivek Bapat on Principles of Designs.

Images showing 2D composition (PPT)

ASSIGNMENT -1 (STAGE -1)

-Learner is supposed to develop a composition from the images, he has clicked from the surrounding and understand principle of design from the same.

-Rendering techniques such as Smudging (pencil shading) and poster color (monochromatic) will be used to learn presentation technique.

ASSIGNMENT -1(STAGE -2)

-Learner is supposed to develop 2D composition based on following principles of design:-

- a) Symmetry b) Radiation c) Focal point
- d) Hierarchy e) Dynamism f) Repetition
- g) Parallelism

- Then need to color it color scheme of their own choice (with poster color, pencil color, water color).

-Need to compile all the composition with related images of buildings(Exterior/ Interior elements) or real life example in spiral book format.

-Lecture by Prof. Nayna Raut and Prof. Vivek K. on color theory and its application in design and other field related to art.

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

COMBINED EXERCISE OF ALLIED AND ARCHITECTURAL DESIGN

Workshop by Prof Bapat sir – Developing and Evolutions

- Learner is supposed to develop a 2D composition by using minimum elements of design such as lines ,planes,dots etc.in a square /Space of 15cm x15cm.
 - Simultaneously need to choose photograph /images of buildings (Interior/Exterior) of which colour they appreciate.
 - Then need to apply same colour scheme on 2D composition in order to see the composition.
 - Similarly they suppose to select some natural texture/artificial texture to represent the same colour scheme on another set of same composition.
 - Need to draw elevation (min 3)by each candidate/learner in order to understand how different elevation can be developed from the same plan.(7- one plan)
 - Then need to develop or convert 2D composition to 3D model with the help of 3 elevation and apply the same colour textured scheme in 3D composition.
- (3D models should be of 30cm x 30cm)
- The same model will be analysed in Architectural Design for understanding spaces (open , semi open , closed) also scale and proportion study as per anthropometry.

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

Day -1 : **Lectured by Prof. Vivek Bapat**

Sub:-Orientation of the students to different courses in Architecture and interrelationship with each other as well as Architectural design

Lectured by Prof. Nayna Raut

Sub :-Orientation to syllabus

Lectured by Prof. Vivek Bapat

On Anthropometry

Introduction to studio Activities

(Instructions by Prof Prajкта M. and Prof Nayna Raut)

Studio Activities :-

-Need to divide class into groups

-From each group 3 students having different ht. to be selected for Anthropometry measurement in different position like :

Standing position

Sleeping position

Standing with stretched hands and legs

Standing with hands up

Seating on the floor

Seating on the chair

Home Work -

-Presentation of the exercise should be done on A3 size cartridge paper by cutting the human figure in color papers & pasting it on cartridge paper .

DAY – 2 : Assessment of the submission-1 in the next studio.

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

Assignment -2 (Individual Assignment)

Instruction : Following area need to be taken up for the Anthropometric study :

- 1) Master bed
- 2) Children's bed
- 3) Kitchen
- 4) Study room
- 5) Dinning room/space
- 6) Living area/room
- 7) Toilet

-Learner needs to be assigned with one activity each for the study .

-They need to click photograph of their own place for the given activity and then measure the furniture and present it on A3 size cartridge paper.

-Composition /format of presentation with original image and traced furniture on the gateway paper

CONCLUSION:-

Relating Assignment-1 with the first are in order to understand space standards and design of furniture accordingly.

Lectured by Prof Nayna Raut and Prof Vivek K.

Sub : Mind mapping and circulation of space

Theory of Colors

Assignment -3 (Group Activity) - Studio Work

Stage -1 Learner needs to have groups to study Anthropometric standard of the following spaces:-

- 1) Studio
- 2) Lecture room
- 3) Staff room
- 4) Principal room
- 5) Computer Lab
- 6) Common toilet
- 7) Auditorium
- 8) Model making room

-Each group need to study furniture/fixture the particular space & circulation pattern

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

-Need to work out Mind map of the activity.

-Presentation of the study in ppt format.

CONCLUSION : Assignment to understand derivation of room spaces/ area

Stage – 2 Learner need to visit library to understand or evaluate space requirement they have studied and as per standard

A handwritten signature in purple ink, consisting of a series of loops and flourishes, positioned above the printed name.

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

Allied Design - I

* Workshop by Prof. Vinod Bapat on "Thinking Out of the Box" :-

to make them understand Principles of Design through a lot of observations and its application in Design.

- lot of fun learning activities to give them opportunities to get with each other and to make them understand importance of group work - coordination - fun while working in groups
- Learning while movie appreciation - visuals
- Gaming sessions / quizz

* Lecture by Prof. Vinod Bapat on Principles of Design Images to 2D compositions - ppt

* Assignment - I (Stage-I)

Learner is supposed to develop a composition from the images ~~that~~ he has clicked from the surrounding and understand Principles of Design from the same.

Rendering techniques such as smudging (pencil shading) and poster color (monochromatic) will be used to learn presentation techniques.

Chakor A. Mehta

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

* Assignment - I: (Stage-II)

- Learner is supposed to develop 2D composition based on following Principles of Design:-

- | | |
|----------------|----------------|
| a) Symmetry | b) Radiation |
| c) Focal point | d) Hierarchy |
| e) Dynamism | f) Reiteration |
| g) Parallelism | h) |
| i) | j) |

- Then need to colour it with the colour scheme of their own choice (with poster colour/water colour/pencil colours)

- Then need to compile all the compositions with related images of Buildings (exterior/interior elements) or real life examples in spiral bound Book format.

* Lecture by Prof. Nayana Raut and Prof. Vineet K. on Colour Theory and its application in Design and other fields related to Art.

A handwritten signature in blue ink, appearing to read "Chakor A. Mehta".

VIVA School of Architecture

- Lecture on Scale and Proportions - By Prof. Kaminee T.
- Lecture on Elements of Design - By Prof. Nivela K.

- Assignment - 4: Combined Exercise with Allied Design
- Workshop by: Prof. Bapat Sir. - Developing Elevation

Learner is supposed to develop a composition (2D) by using minimum elements of design such as line, dot, plane etc. in a square / space of 15 cm x 15 cm.

Simultaneously need to choose photographs / images of buildings (interior / exterior) of ~~their~~ which colour scheme ~~they~~ ^{he} likes or appreciates.

Then need to apply same colour scheme on 2D composition in order to see how the colour scheme looks in 2D.

Similarly he is supposed to select some natural texture / artificial texture to represent the same colour scheme on another set of same composition.

Then need to draw elevations (min three) by each candidate / learner in order to understand how different elevations can be developed from the same plan. (Seven learners will be working on one single plan)

Then he needs to develop or convert 2D composition into 3D model with the help of 3 elevations (3 model) and then selected one model should be again textured with the same texture scheme which the

Chakor A. Mehta
 Prof. Chakor A. Mehta
 Principal
 VIVA School of Architecture

has applied in 2D-composition. in order to understand role of texture in 2D and how it's appearance and appreciation value changes from 2D-3D.
(3D models need to be done of 30cm x 30cm)

Then this same model will be analyzed in Architectural Design for understanding spaces or spatial relation - meanings. (open-semi open-closed) / public-semi public-private spaces, also scale and proportion study as per anthropometry.

Out of the Box

Workshop conducted on 05-08-2019 to 09-08-2018 in the academic year 2019-20:

A workshop specially curated to orient the first year students into the field of architecture. Out of the box envisions to transpire the young minds from textbook learning system to explorative world of architecture.

Late Shri. Vishnu Waman Thakur Charitable Trust's

VIVA SCHOOL OF ARCHITECTURE

WORKSHOP : OUT OF THE BOX....	
Academic Year 2019-20	First Yr. B. Arch. Semester - I

DAY - 01 : August 05, 2019.

9.30 a.m. to 10.20 a.m.	Principal's Address
10.30 a.m. to 10.45 a.m.	Short Break.
11.00 a.m. to 11.45 a.m.	Introduction with interactive Activity.
11.45 a.m. to 1:00 p.m.	Screening of motivational Short Film.
1:00 p.m. to 1:30 p.m.	Lunch Break.
1:45 p.m. to 3:45 p.m.	Interactive three Assignment,
3:45 p.m. to 4:30 p.m.	Talent Search

DAY - 02 : August 06, 2019.

9.00 a.m. to 10.30 a.m.	National Anthem. Film appreciation.
10.30 a.m. to 10.45 a.m.	Short Break.
11.00 a.m. to 12:00 noon	Visual communication.
12.15 p.m. to 1:00 p.m.	CONTD. Visual communication.
1:00 p.m. to 1:00 p.m.	Lunch Break.
01:45 p.m. to 3:30 p.m.	Introduction : making 1 minute film.
3.45 p.m. to 4:15 p.m.	GROUP PHOTO session.

Weekly Design Competition:

Event conducted during 20-05-2020 to 25-05-2020 in the academic year 2020-21:

A design competition was held with different themes and the submissions were collected via drive links; it was open to students from 1st to 5th year of Architecture at VIVA School of Architecture.

Varied categories of Art and Concept based submissions was curated to keep the students minds and creativity engaged and channelized; which helped in maintaining mental and emotional balance of life during the testing times of Covid – 19 Pandemic.

Urban Lecture Series

Online Urban Lecture Series was conducted by the institute based on different topics of Urban Analysis and Hierarchical studies, in the academic year 202-21

This lecture series was conducted in remote format via google Meet link addressing the 82 students from the Fourth- & Fifth-Year Bachelor of Architecture. The knowledge series was conducted, by seven faculties of the institute selected based on their respective specialization backgrounds.

The intent of the orientation series was to cover the parameters of planning studies and its hierarchy, from Regional Planning to Urban Studies to sustainability and Housing Bye laws. This helped students understanding levels and paradigms of planning.

The lecture series was conducted so the students can explore different urban Analysis and their contextual study. The lecture series was conducted during Covid – 19 Pandemic, for seven consequent days, and the detailed timetable of the series is mentioned below.

List of faculties, specializations and lecture details:

1. Prof. Sachin Main, M. Tech (Civil – Town and Country Planning): Town Planning
2. Prof. Ruchira Patkar, Masters in Architecture (Urban & Regional Planning): Regional Planning
3. Prof. Ankita Shukla, Masters in Architecture (Urban & Regional Planning): Urban Planning
4. Prof. Pratistha Kunhithayill, Masters in Arch. (Urban Design): Urban Design Principles
5. Prof. Farozan Ansari, Masters in Planning (Housing): Housing
6. Prof. Janhavi Bhavsar, Masters in Science (Arch. Sustainable Studies): Sustainability Design
7. Prof. Sheetal Pikle, Masters in Architecture (Environmental Architecture): Housing Bye-Laws

Thesis Research Orientation Lecture Series

Seminar series was conducted during 25-05-2021 to 28-05-2021, regarding the Thesis Research Orientation Lecture Series in the academic year 2021-22:

This series was conducted in campus addressing the 42 students from the Fifth Year Bachelor of Architecture appearing for Design Dissertation. The knowledge series was conducted, by core faculties of the institute selected on their specialization backgrounds. The intent of the orientation series was to create awareness of Research Methodology.

The lecture series was conducted so the students can explore research and analysis as a design development tool.

The lecture series helped the students in developing their research based design program and identify design solutions based on qualitative and quantitative research tools. This complete research was put through Plagiarism test and respective references, citation and bibliographies were developed for pre-existing research that was a part of individual study. The students followed the code of ethics while doing research and strictly adhered to plagiarism regulations.

The detail schedule of lecture series has been shared as annexure, along with the attendance and certification granted to the students for attending and participating in learning program.

AUTODESK REVIT ESSENTIALS SYLLABUS

Semester: IV & VI

Day: Saturdays

Conducted by: Prof. Nilesh Bhat

Sessions required: 12

Timing: 8:30-11:30 am

1. THE AUTODESK REVIT WORLD

- What is Revit?
- The Revit interface
- The project browser
- File types & families

2. CREATING MODEL

- Placing walls
- Using reference planes
- Adding interior walls editing wall joints
- Placing doors & windows

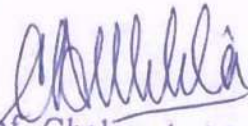

3. CREATING VIEW

- Creating levels
- Creating & modifying building sections
- Adding wall sections
- Creating callouts
- Creating & modifying a camera view
- Creating elevations

4. WORKING WITH THE TOOLS

- The basic edit command
- The array command
- The mirror commands
- The align tools
- The split element command
- The trim command
- The offset command
- Copy/paste
- Creating the plans

Prof. Chakor A. Mehta
Incharge Principal
VIVA School of Architecture

5. DIMENSIONING & ANNOTATIONS

- Selecting & applying dimensioning
- Using dimensions as a layout tool
- Placing text & annotations

6. STRUCTURAL ITEMS

- Adding structural grids
- Adding structural columns
- Using structural framing
- Understanding foundation system
- Adding structural footings
- Using structural views

7. FLOORS

- Placing a floor slab
- Building a floor by layers
- Splitting the floor materials
- Pitching a floor to a floor drain
- Creating shaft openings

Tabish Khan; principalarch@vivacollege.org**Subject:** Viva COAs participation in AIS Glass Design Olympiad 2020

Dear Vinita Ma'am,

It was nice talking to you some time back.

Prof. Chakor A. Mehta
Principal

VIVA School of Architecture

Thank you for showing interest in AIS Glass Design Olympiad GDO. As discussed, requesting you to kindly share the attached with students on their whatsapp groups. Also, if you can post it on your college's social media pages. We had some finalists from Viva COA last year, and hope we receive good entries this year too. It's going to be all the more challenging this year, as this has become a national level contest now. We have exciting cash prizes, internship opportunities and many more surprises for students!

We would also like to conduct an online knowledge session for the students of your college – 3rd, 4th and 5th Year B.Arch students. This session will be delivered by one of our Jury members and they will speak on the latest trends in architecture. As discussed, kindly share dates when this can be scheduled (we will need 1.5 hours slot). I will understand the speaker's availability and will confirm a date.

Please let me know how we can take this ahead.

Regards,

Ravina Parkar

Assistant Manager – Corporate Marketing

Mon, Oct 5, 2020 at 2:45 PM

Dear Ma'am,

Prof. Chakor A. Mehta
Principal

As discussed, please find the details for the Masterclass session scheduled for tomorrow below.

VIVA School of Architecture

Topic - Journey of an architect

Timing- 6th Oct, 11 AM -12 PM

Order of the session-

- Introduction by ViVa team
- Presentation by Ms. Garima Kamra (AIS Technical Manager) (15 Min)
- Presentation By Ar Prashant Sutaria (Principal Architect – Prashant Sutaria Architects) (30 Min)
- Q&A (10 Min)

AIS Team details for introduction-

Ms. Kiran Lulla (Head- Brand Management)

Mr. Danish Khan (Zonal Head - Architectural Institutional Business)

Ms. Garima Kamra (Technical Manager)

For the rest, you can refer to 'other team members of AIS.'

As you suggested for google meet would be better for the session as students are more familiar with it, we can use it but kindly check with your team if it can handle 150 -200 gathering. Kindly confirm.

Regards,

Tabish Khan

Subject: RE: Viva COAs participation in AIS Glass Design Olympiad 2020

Dear Ma'am,

As discussed, please find the details for the Masterclass session scheduled for tomorrow below.

Topic - Journey of an architect

Timing- 6th Oct, 11 AM -12 PM

Order of the session-

- Introduction by ViVa team
- Presentation by Ms. Garima Kamra (AIS Technical Manager) (15 Min)
- Presentation By Ar Prashant Sutaria (Principal Architect – Prashant Sutaria Architects) (30 Min)
- Q&A (10 Min)

AIS Team details for introduction-

Ms. Kiran Lulla (Head- Brand Management)

Mr. Danish Khan (Zonal Head - Architectural Institutional Business)

Ms. Garima Kamra (Technical Manager)

For the rest, you can refer to 'other team members of AIS'

Prof. Chakor A. Mehta
Principal
VIVA School of Architecture

As you suggested for google meet would be better for the session as students are more familiar with it, we can use it but kindly check with your team if it can handle 150 -200 gathering. Kindly confirm.

Regards,

Tabish Khan

Design Dissertation Orientation Seminar

Seminar series was conducted during 25-05-2022 to 31-05-2022, regarding the Design Dissertation Lecture Series in the academic year 2022-23:

This series was conducted in campus at the Auditorium addressing the 57 students from the Fifth Year Bachelor of Architecture appearing for Design Dissertation. The knowledge series was conducted, by five faculties of the institute selected on their specialization backgrounds. The intent of the orientation series was to create awareness of various allied fields like Housing, Urban Planning, Transport and Infrastructure Sector, Environmental Issues and Public Policies.

The lecture series was conducted so the students can explore ideas for selecting topics of dissertation, based on a broader horizon of research. The lecture series helped the students in choosing areas of research and analyze possible design solutions.

List of faculties conducting the lecture series:

1. Prof. Ritesh Agrawal
2. Prof. Nayana Raut
3. Prof. Vinita Kolhe
3. Prof. Ankita Shukla
5. Prof. Farozan Ansari
6. Prof. Jai Vaidya
