Welcome to being a VSOA Mentor 2022!

Here are a few guidelines before you start your journey with your mentee:

1. Please ensure the student summarizes what was discussed at the end of every meeting with a date and approval of the mentor for smooth communication between the student, mentor and professors on this sheet:

https://docs.google.com/spreadsheets/d/1kcH3P1q5Yrg9WXu_FZydbdIV7QsIn2utXhCxcvU18jQ/edit#gid=1770815382

2. Remote mentors please ensure you have the right communication mediums (to share files, share screens, videocall or voicecall) set up prior to the meeting, and inform the student 24 hours in advance of the chosen medium and changes if any. In- person mentorship is always welcome.

3. Please do not share original files, data with sensitive information/ copyright with students. Always use email as a platform to share information and CC the email to vsoaalumni@gmail.com

4. Please remember these mentoring sessions are time sensitive, choose a time that is most convenient to you and the student. Your work always takes more priority over mentorship.

5. Current Masters candidates and recent graduates batch 2022 and 2021 are welcome to join the Mentorship program after completion of their degree/program or after atleast 2 years of work experience. We will be happy to welcome you to our tribe then!

6. For the best interest of the mentors, please select a maximum of 4 students as your mentees until the end of this semester 2022.

7. In case a student chooses to opt out of the mentorship, please keep us informed at VSOA Alumni Action team whatsapp group or vsoaalumni@gmail.com.

8. In case of suggestions, recommendations, questions, issues please subscribe to VSOA Alumni Action team whatsapp group or vsoaalumni@gmail.com. Happy Mentoring !
